

HILLCREST

Hillcrest Residence is a two-story home located at Core Village, Tagaytay City. The house features an elevated pool, garden space with landscaping, a grand living room, and a basement with a home theater, gym, and entertainment area. Its design is a mixture of contemporary and industrial design that highlights gray hues and wood elements to contrast the white interior walls. From its balcony, a view of the mountains and the Taal Volcano can be seen.
